- 12.21 It is agreed that there are several jobs that require special skills and which the person laid off would not have the option to bump the next person with the least amount of seniority unless they are qualified for the position. The laid off person would however have the option to bump the next person with the least amount of seniority after the below listed positions: These positions are:

Assistant Treasurer
Maintenance Foreman/Laborer
Custodial Maintenance/Mechanic
Animal Control Officer
Bookkeeper/Payroll Clerk
Fire Chief's Secretary/Billing Clerk

Any individual taking one of the positions requiring special skills must have the skills required for the specific position.

- 12.22 Whenever it becomes necessary to increase the working forces, employees laid off within one year shall be recalled before any new help is hired, with those laid off last being the first to be recalled subject to qualification and possession of the required special skills, as reasonably determined by the Department Head and by the Town Administrator. Seniority in the particular job classification shall not be cumulative during periods of layoffs.
- 12.23 Employees found not qualified have recourse to the grievance procedure contained herein.
- 12.24 Employees subject to recall shall be notified of the recall by the Town Administrator by registered mail, return receipt requested. A copy of such recall letter shall be given to the local Union. The employees have two (2) work days subsequent to the date of signature on the return receipt within which to notify the Town Administrator that they will return to work. Such registered letter shall be mailed to the employee's last known mailing address. Refusal by an employee to accept available work when recalled to the job classification from which he or she has been laid off shall be sufficient cause for his or her removal from the recall list.
- 12.25 Reasonable efforts will be made to recall employees who have been laid off, provided, however, that an employee must keep his correct address filed with the Town Administrator. In cases where the registered letter is undeliverable, the employee will be dropped from the recall list when the letter is returned.
- 12.26 An employee shall forfeit all seniority rights then accrued to him or her in the event that:
- a. He or she is discharged for cause;
 - b. He or she terminates his or her employment voluntarily;

- c. He or she fails to give notice within a two day period
 - d. He or she fails to report his or her absence from work within three consecutive scheduled days without a reasonable excuse;
 - e. He or she fails to renew a leave of absence;
 - f. Without valid excuse he or she fails to return to work at the expiration of approved leave of absence or any extension thereof. Only physical incapacity to return to work will constitute valid excuse, but if such physical incapacity continues for a period of one year from the expiration of approved leave of absence or any extension thereof, it shall thereafter not constitute a valid excuse. The Town Administrator or the Department Head may request a Doctor's certificate at any time.
 - g. Failure to return when recalled or recall rights expire.
- 12.27 Employees transferred or promoted to positions outside the bargaining unit shall be deemed to have quit for the purpose of this agreement and may reenter the bargaining unit only as a new employee. However, the Employer and the Union, by mutual agreement, shall have the right to restore any such employee to the bargaining unit without loss of any of his or her seniority rights, and his seniority shall be cumulative for the period of time he or she occupied a job or jobs outside the bargaining unit. Such restoration may be done only once.
- 12.28 Any employee who feels that he or she has been aggrieved with respect to his or her seniority rights as provided for in this Article shall have the right to process the matter as a grievance under the grievance procedure.

ARTICLE 13 GRIEVANCE PROCEDURE

- 13.1 A "grievance" is a complaint by a member of the bargaining unit of a violation, misrepresentation or inequitable application of any provision of this agreement or of any established policy affecting such members.
- 13.2 An "aggrieved person" is the person or persons making the claim.
- 13.3 A "party in interest" is the person or persons making the claim, any person who might be required to take action against whom action might be taken in order to resolve the claim, or the local Union Steward or his or her designee.
- 13.4 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems that may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of procedure.

- 13.5 Nothing herein contained will be construed as limiting the right of any employee prior to presenting a formal grievance, to discuss the matter informally with the appropriate Department Head or the Town Administrator, and having the matter adjusted without intervention of the Union, provided the adjustment is not inconsistent with the terms of the agreement.
- 13.6 Notwithstanding the above provisions, if an employee does not file a grievance in writing within seven (7) calendar days after he or she knew or should have known of the act or condition on which the grievance is based, then the grievance will be considered as waived.
- 13.7 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

LEVEL ONE: An employee with a grievance shall present it in writing and first discuss it with his or her immediate supervisor, either directly or through the Union Steward, with the objective of resolving the matter informally.

LEVEL TWO: If the aggrieved person is not satisfied with the disposition of his or her grievance at Level One, or if no decision has been rendered within fourteen (14) work days after presentation of the grievance, then at his or her request the grievance shall be forwarded to the Town Administrator. Within fourteen (14) work days after receipt of the written grievance by the Town Administrator, the Town Administrator and the Department Head will meet with the aggrieved person and the Union Steward in an effort to resolve it.

ARTICLE 14 ARBITRATION

- 14.1 If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) work days after the Town Administrator has heard the grievance, the Union may request that the grievance be submitted to arbitration by sending such request by certified mail, postage prepaid, to the Town Administrator setting forth the issue or issues to be arbitrated. The grievance shall then be referred to the American Arbitration Association in accordance with its rules.
- 14.2 If the Union and the Town Administrator agree to a different method of selecting an arbitrator, such agreement shall govern.
- 14.3 The arbitrator so selected shall call a hearing to be held within fourteen (14) days after his or her selection, and shall give at least seven (7) days notice in writing of the time and place of such hearing to the Town Administrator, the Union, and the aggrieved party. The hearing shall be informal and the rules of evidence prevailing in judicial proceeding shall not be binding. Any and all documentary

evidence and other data, deemed relevant by the arbitrator, may be received in evidence.

- 14.4 The hearing or hearings conducted by the arbitrator shall be concluded within twenty (20) days of the time of commencement, and within ten (10) days after the conclusion of the hearing the arbitrator shall render his or her decision in writing upon the issues presented, a copy of which shall be mailed or otherwise delivered to the Town Administrator and the aggrieved person.
- 14.5 The arbitrator shall be without power or authority to make any decision that requires the Town Administrator to perform any act prohibited by law or that is contrary to or inconsistent with the terms of this agreement.
- 14.6 The decision of the arbitrator, if made in accordance with his/her jurisdiction and authority under this agreement, will be accepted as final by the parties to the dispute and both sides will abide by it.
- 14.7 Fees and necessary expenses of the arbitrator shall be borne equally by the Union and the Employer.

ARTICLE 15

- 15.4 Upon request of the Union, a meeting to discuss the discharge will be arranged. Such request of the Union must be made within three (3) days, excluding Saturday, Sunday and Holidays, after notification to the Union. The Employer will hold such meetings, if requested, within five (5) days (excluding Saturday, Sunday and Holidays) after the request for such meeting is made.
- 15.5 Such meeting shall not be public except by mutual agreement of the Employer, the Union and the employee involved. The employee shall be represented by the Union, and the Union shall have the right to designate counsel to represent it and the employee. Similarly, the Employer shall have the right to be represented by counsel.
- 15.6 If the employee is reinstated, he or she shall be compensated for all loss of wages caused by such discharge.

- 15.7 The Employer will notify the President of the Union as soon as possible of any suspension or disciplinary action, together with the reasons therefore.
- 15.8 Such disciplinary action or discharge shall be subject to the grievance procedure as Level Two.

Said payment shall be at the daily rate said employee was receiving upon his or her retirement.

"Immediate Family" means spouse, child, mother, father, and/or any other member of the employee's family living under the same roof with the employee. The employee shall substantiate such application by such reasonable means as the Town Administrator may require. This leave of absence will constitute a break in service and no seniority or time in service shall accrue during said leave of absence.

- 20.2 The employee on maternity leave must notify the Department Head in writing of her intention to return to her position thirty (30) days prior to end of said maternity leave. Such maternity leave shall expire at the end of the six month period of absence, and if such notification of intention to return is not received before the expiration date, it shall be considered to be and constitute the employee's resignation.
